## BAND STORY

"

Hello, people, we are Double Mama. Greetings from Russia! We formed this band in our hometown of Tver back in 2011, some of us came from different bands where used to play before. Our influences, most of all, are classic blues, country and pop rock and a whole bunch of traditional US and UK music stuff. Members of the gang are Gennady Grigoriev (vocals, guitar, harmonica, lyrics), Sergey Epanechnikov (bass, backing vocals), Aleksey Antropov (lead guitar), Ekaterina Zhukova (fiddle), Andrey Ledvinov (percussion), Artyom Derov (drums). All we wanna say - we're really love music. All we need - is love and you, friends.
