

shamanic illness

BAND STORY

"

The Shamanic illness are the Russian garage band formed in St.Petersburg in 2011.

Shamanic illness - this is the rock duet, settled by Den Hart (vocal, guitar, electronics) and Elise Sixsmith (vocal, guitar, percussion).

For each member of band, Shamanic illness became the final result of searching the individual style and sound after a few completed projects.

The music for Shamanic illness - this is not only an expression of the creative side of personality, but a boost for the development of higher potency of human existence.

The band's music combines electronic beats of drum machine and guitar riffs.

In 2012 Shamanic illness released EP - Following our dream, which includes 6 tracks.

The peculiarity of Shamanic illness - it's unconventional sound and revolutionary outlook on rock music in Russia and other countries.
